

Vision

Our youth contribute to the survival of human kind and our planet

Mission

We are a world leading youth education provider. Our Search and Rescue and Emergency Management programme is delivered with a focus on innovation and technology.

Values

Organisation

As a world class education provider, we equip students, with experience, knowledge and technology to become active members, of SAR and CDEM organisations.

Sector

We understand the present and future needs of SAR and CDEM globally.

Footprint

We achieve sustainable growth without geographical boundaries.

People

We are a great place to be, where people are inspired to be the best they can be.

Environment

YSAR is a responsible global citizen that makes a positive contribution to humanity and the planet.

Partners

We nurture winning networks of partnerships while building mutual loyalty.
